The 2023 winners of the Large General Insurer of the Year, Specialty Insurer of the Year and Underwriting Agency of the Year awards were announced at the 2023 NIBA Convention Gala Dinner and Awards Ceremony.

Vero has won the 2023 Large General Insurer of the Year award, while Liberty Specialty Markets was named the 2023 Specialty Insurer of the Year award.

NTI were announced as the winner of the 2023 Underwriting Agency of the Year award.

The Large General Insurer of the Year, the Specialty Insurer of the Year, and the Underwriting Agency of the Year are determined based on the feedback provided by brokers through the annual Broker Market Survey. The Broker Market Survey is conducted on behalf of NIBA by independent market research firm.

NIBA CEO, Philip Kewin said "This year, over 720 brokers had their say through the Broker Market Survey, which is a record number and extremely pleasing result".

The Broker Market Survey provides a deep understanding of brokers expectations, brand perceptions and broker customer experience. These insights are used to measure the attitudes and engagement of brokers with regards to insurers and determine outstanding performers amongst insurers in a sophisticated and robust way. The winner of Large General Insurer of the Year, Specialty Insurer of the Year and Underwriting Agency of the Year awards won because they are highly recommended due to excellence in servicing, flexible products and being the most trusted partners of our brokers.

"I would like to congratulate Vero, Liberty Specialty Markets and NTI on their awards in their respective categories," Kewin added.
